GAIA

SlowClose with stainless steel release hinge

The GAIA model presents a round shape and sandwich slim aesthetic, fully revealing the ring and following a minimalist design. Thanks to the SlowClose system, it allows a delayed fall that provides safety and comfort. With the Release&Clean system it is easy to remove for better cleaning. In addition, it is adjustable and allows mounting from the top.

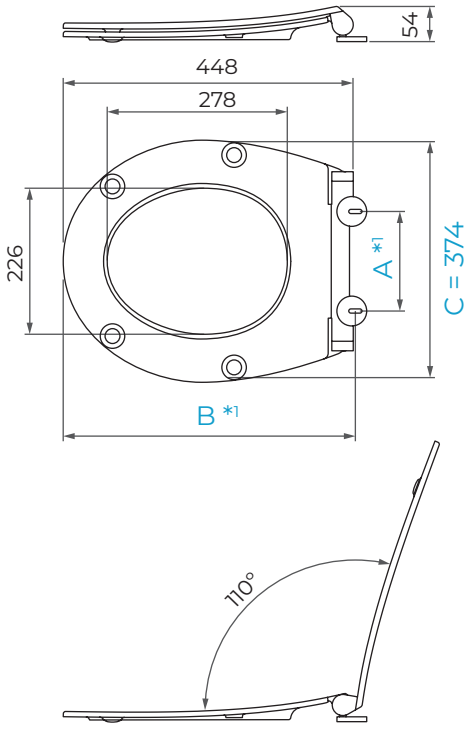

features

SlowClose | ***Release***&Clean | Adjustable | ***Top***Mount | ***Round***Shape | ***Sandwich*** Slim
