TOR

SlowClose with stainless steel release hinge

The TOR model presents a D -Shape, shaped like letter D, and wrap-over aesthetic, completely covering the ring when it is closed. Thanks to the SlowClose system, it allows a delayed fall that provides safety and comfort. With the Release&Clean system it is easy to remove for better cleaning. In addition, it is adjustable and allows mounting from the top.

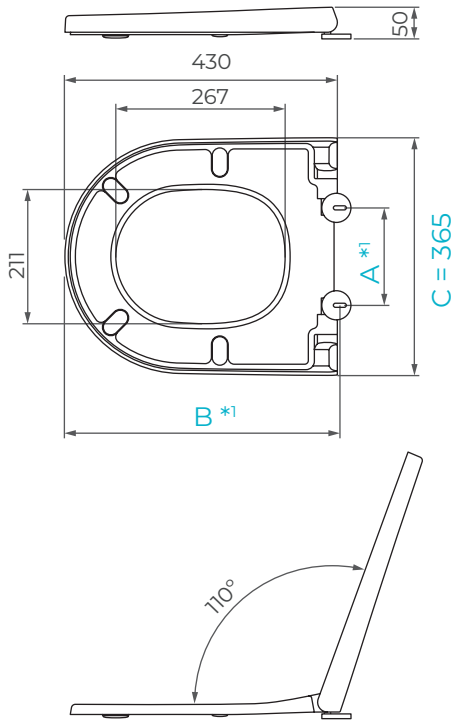

features

SlowClose | ***Release***&Clean | Adjustable | ***Top***Mount | ***D-***Shape | ***Wrap-over***
